

Developing World has:

- Access to Local Media
- Grassroots Initiatives
- Organization Partnerships
- Local Business
- Community Trainers
- Real Stories to Share!
- Government Support
- NGOs

We have new ideas, motivation & fresh approach.

We know & understand our community, as well as the issues we have to overcome.

needs:

- Global Awareness
- Finance
- Basic Commodities & Resource
- Business Skills, Mentorship
- Access to Technology
- Knowledge & Education
- Connections

We need help explaining to the world what we do & what we're about.

People who want to help don't always know how they can.

Globe of Change: how it works

Helping people to help themselves, **Globe of Change** is a virtual stock exchange connecting people of developing communities with the connected world.

- ★ Biz of Group generates revenues by purchasing a profile & linked ads
- ★ Sponsored Profiles are all entered into the Global Roulette Stock Exchange, with 20% of all linked ad revenues going to the person who started it up.
- ★ Investors gamble on their profiles - the aim is to maximize returns by investing in profiles that'll make the most cash
- ★ As cash is generated through online ads, a profiles investors are motivated to spread the word
- ★ Profile creators can also invite members expanding their network of bloggers (they get paid too) - content creation just became a breeze!

About Profiles

What you can do...

- ★ Provide contact info, google map & direct access to social networking groups
- ★ Sell your products online

- ★ Promote jobs, events, promotions, products & services from one place
- ★ Invite & answer questions about what you do
- ★ Make new revenues & **HAVE FUN** by taking part in the game of change
- ★ New partnerships & connections

- ★ Develop awareness of real issues
- ★ Positive endorsement: **help impact much needed global change!**

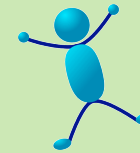

Increase promotion:

- ✓ Invite members to join
- ✓ Link profile to online ads

By creating and supporting **Sponsored Profiles**, people of the developed world connect & promote initiatives taking place in the developing world.

Sponsored Profiles Expand Awareness & Revenues Grow

Profiles are **FREE!**

- ★ Increased content as new members join.
- ★ Game of Change promotes networks & encourages more people to get involved.

- ★ Revenues generated through online promotion & sales.
